Education

Green University of Bangladesh — Purbachal American City, Rupganj
BSc. in Computer Science and Engineering ***(4th year running)*** — *Feb. 2022 – Present*

Charfasson Govt College — Charfasson, Bhola, Barisal
*Higher Secondary School, Science - **5.00 GPA*** — *Aug. 2018 – Aug. 2020*

Career Objective

Final-year CSE student with expertise in Python, Django, and Odoo, and learning Prompt Engineering to build innovative AI-driven applications. Seeking opportunities to apply software development and AI/ML knowledge to deliver efficient solutions and drive company growth.

Problem Solving

Competitive Programming Profiles — Jan 2024 - Present

- Codeforces Profile: @mdmainulislamnerob
- Beecrowd Profile: @mdmainulislamnerob52

Solved around 100 problems on platforms like LeetCode, Codeforces, Beecrowd, HackerRank.

Projects

Event Management System | *Django, Python, SQLite, HTML/CSS, Bootstrap* [GitHub Link] | [Live Demo]
- Developed a role-based web app with custom user model, event creation, RSVP system, participant dashboard, and category management.
- Integrated secure authentication with profile management and deployed on Render with static/media handling and CSRF protection.

Integrated Airport Software Solution | *Python, Django, SQLite, HTML/CSS, Bootstrap* [GitHub Link]
- Built a centralized airport management system with modules for flights, staff, passengers, and ticketing.
- Implemented role-based access, secure authentication, and modular MVT design for scalability.

Foodpanda Bangladesh Restaurant Recommender (Web UI) | *Python, Streamlit, Pandas, Scikit-learn*
- Developed a Streamlit web app that recommends restaurants from Foodpanda reviews [GitHub Link].
- Applied TF-IDF on aggregated reviews for keyword and similarity-based search.
- Added filters by city, rating, and review count with option to upload custom datasets.

Technical Skills

Operating System: Linux (Distro: Debian), Windows 7/10/11
Languages: C/C++ , Python , SQL (MySQL,PSQL), JavaScript, HTML/CSS, R
Frameworks: TailwindCSS, Django, Odoo
Developer Tools: Git, VS Code, PyCharm
Other Skills: Project Documentation, Marketing, Public Speaking and Presentation in English

Extra-Curricular Activities

Publicity Coordinator, IEEE Student Branch — Green University of Bangladesh
Organized and promoted workshops, seminars, and academic activities through IEEE — *May 2025 – Present*

Class Representative — Green University of Bangladesh
Acted as liaison between students and faculty, coordinated class activities and responsibilities — *2023 – Present*
